The beauty routine can be one of the trickiest areas of everyday life to incorporate eco-friendly practices into. Fortunately, **GLOSS Naturals** makes it easy with its selection of sustainable goods. The brand is even celebrating Earth Month with a special discount of 15 percent off all beauty products for skin and nails.

Rest easy (a.k.a. guilt-free) with the Florida-based line, which boasts organic ingredients and even biodegradable packaging. And don't worry about compromising your beloved bold nails: its vegan polish—attention moms, it's even safe for children—comes in 100 different shades to match whatever your earthly-minded mood may be.

Treat yourself for your environmental efforts by using promo code "EARTH15" during checkout, and receive free shipping on orders more than \$50. Show your planet some love by clicking [here](#) now.
